

Weather hood metal for xCR-SD G2

Accessories

For improved vandal protection or when installed outdoors exposed to rain, the BCR-SD G2/SCR-SD G2 card reader should be installed with a weather hood for extra protection. The weather hood is specifically designed to fit with the card reader, with matching holes for cable inlet and mounting screws. To install the card reader inside a metal weather hood you need to use an installation plate (article number 44280270) to keep good reading distance.

Art nr: 44280274 Weather hood metal for xCR-SD G2

Technical data	
Dimensions (w/h/d)	135x183x68 mm
Weight	340 g
