

Weather hood plastic for xCR-SD G2

Accessories

When installed outdoors and exposed to rain, or in harsh environments indoor, the BCR-SD G2 and SCR-SD G2 card readers should be installed with a weather hood for environment protection. The weather hood is specially designed to fit with the card reader with matching holes for cable inlet and mounting. The weather hood is made of transparent plastic.

Art nr: 44280273 Weather hood plastic for xCR-SD G2
