

Installation plate for vandal protection xCR-S (Mini) G2

Accessories

The card readers BCR-S Mini G2/SCR-S G2 can be equipped with a vandal protection cover for secure wall mounting. An Installation plate is recommended if the mounting surface is uneven or if the installation is made on a metal surface.

Art nr: 44280296 Installation Plate for Vandal Protection xCR-S (Mini) G2

Compliant with: 44280295 Vandal Protection xCR-S (Mini) G2

Performance

Made in sturdy PA66 plastic with the same color as the Vandal Protection cover of the card reader for a stylish look.

The installation plate is strongly recommended when the card reader is installed on a metal surface. This will minimize problems with low reading distance caused by interference from a metal surface.

The installation plate can also be used as a distance for external mounting of cables.
